

Certificate of Accuracy & Calibration

Arterioocyte Medical Systems Inc.
45 South Street
Hopkinton MA 01748

CALIBRATED BY:		
ARTERIOCYTE		
104507 Job Number	AMS100 Part Number	09/12/2015 Calibration Due Date
Burt Comfort Calibrated By	AMS1002020 Serial Number	09/12/2014 Calibration Date
AMS95152LBL Rev 1		

Arterioocyte Medical Systems, Inc certifies that the above listed machine meets or exceeds all current manufacturers' specifications. It has been calibrated using standards with accuracy guidelines traceable to National Institute of Standards and Technology (NIST). Parameters for which there are no NIST calibration standards are measured against in house standards using calibrated and NIST traceable equipment and procedures.

Tool Used in Calibration	Equipment File Number
Stop Watch	EQ000086
Alignment Fixture – Optics	EQ000095
Alignment Fixture – Arm	EQ000096
Digital Pressure Gauge	EQ000099
Electrical Safety Analyzer	EQ000100
Electronic Torque Tester	EQ000101
Torque Driver (4, 5, 6, 8, 10, and 12 in-lbs)	EQ000105, EQ000102, EQ000108, EQ000104, EQ000107, EQ000106
ESD WorkStation (A – D)	EQ000109
Strobe Light	EQ000110
Sound Meter	EQ000176
Feeler Gauge – Set	EQ000113
3-M 746 Wrist Strap Tester	EQ000114
Computer	EQ000122
Feeler Gauge - Custom	EQ000135
Non-Contact Tachometer	EQ000138
Holding Fixture – Magellan	EQ000168
Multimeter	EQ000140
Oscilloscope	EQ000092

The NIST traceable equipment described above has been used with the general applicable specifications and procedures per Arterioocyte Medical System Inc.'s Magellan Service Manual to calibrate the Magellan Device.
